 OT - Old Testament
 PT - Practical Theology

PROGRAMS OF STUDY

Shield of Faith Bible College programs of study include various certificates, diplomas and degrees, all of which are awarded after accumulating course completion units.

These units are earned in one of two ways:

1) Class attendance, study of the materials and a score of 70 or above on the post course examination. Successful completion of each course is worth three units.

2) Units are also granted through evaluations of prior learning. Additionally, students are required to pass at least one course in each of the six divisions of study for each degree from the Bachelor of Theology through the Doctor of Theology degrees.

Students have a host of opportunities for study that include classroom instruction via LIVE, DVD, Internet Streaming Video, or Locally Authorized Teaching (LAT) for-mats.

We also have Distance Education (DE) for more individualized study. This is a great format for those students who don't have access to a local SOF Bible College campus.

Each course provides 10 hours of lecture, a textbook, study guide, and exam. Lectures are delivered according to the schedule and delivery format chosen: LIVE, DVD, Streaming Video, LAT, or DE, and are followed by a time for exam completion.

Students can complete a course online any-time, anywhere! All students enrolled in our Distance Education Program are able to study without a computer.
